

# *The Clive Family*

Hi All,

Some of you might remember Barbara and Dave Clive. If you are willing to support the family, please know that the Clive family has set up the GoFundMe [https://www.gofundme.com/f/clive-family?utm\\_source=customer&utm\\_medium=email&utm\\_campaign=p\\_cp+share-sheet](https://www.gofundme.com/f/clive-family?utm_source=customer&utm_medium=email&utm_campaign=p_cp+share-sheet).

Even a small donation could help Bruce Stegner reach their fundraising goal. And if you can't make a donation, it would be great if you could share the fundraiser to help spread the word.

Thanks for taking a look!

Bruce Stegner and Kenneth Carpenter are organizing this fundraiser.

Tragically Barbara and Dave Clive passed away in the past week within days of one another. As their only child with no other immediate family, Colin is now struggling to overcome the loss of his loving, devoted parents. Additionally, Colin has been battling brain cancer for the past two years. Most recently, he has started an experimental treatment that is successfully fighting the metastatic cancer. At 70 years of age Dave stayed employed to keep his family eligible for health coverage. Any monies that can be donated to ease the burden on Colin for his long term care and medical expenses would be greatly appreciated. Any unused funds will be donated to The National Brain Tumor Society in the Clive Family name. Please prayerfully consider donating to Colin's cause, no amount is too small or too large. Please feel free to share this message with anybody you feel would be interested in donating, God bless.
