even when he is old he will not depart from it." Proverbs 22:6*

*All your children shall be taught by the Lord, and
great shall be the peace of your children." Isaiah 54:13*

"Children are a gift from the Lord; they are a reward from him." Psalm 127:3

TRUSTEE "ADOPT A JOB"

SIGN-UP

Hello Members and Friends of CUMC,

As the President of the Trustees, it is my responsibility, along with other members of the committee, to keep up with maintenance of the church building, including the nursery school, and parsonage. Our current committee has dwindled in number and the number of items on the punch list is far more than a few of us can handle. We are creating a list of projects and hope you will feel led to take one on. If you would be able to "adopt a job", we will cover the cost of the supplies and you provide the time and labor. There are many jobs to choose from. Maybe you can't do sheetrock repair or construction, but you are able to paint or do minor repairs; trust me, every little bit helps. If you are unable to physically help, perhaps you could make a special donation to help the Trustees hire someone to do the larger projects. There will be a special fund designated, "Adopt a Job" on the website, or feel free to send the donation to the church marked, "Adopt a Job". We appreciate anything you might be able to do to help. Please let me know what project you will be "adopting" by calling (516) 795-9689 (Kim and Tim) or sending an email to kgill@optonline.net

Projects:

- Cleaning gutters (church)
 - Cleaning window wells (church)
 - Washing mold off white fence (church)
 - Washing mold off garage (church)
 - Sheet rock repairs in Nursery School closet, hallway outside Rita's office and in hallway between NS and Miller Hall
 - Painting the areas once the sheet rock repairs are done
 - Painting of Parsonage front door (I have the paint already)
 - Scraping/Painting of Parsonage bay window exterior
 - Repair lattice on parsonage patio / replace lattice on one section of patio
 - Fix garden hose holder with 4 x 4 post, new handle for hose reel, new hose
 - New AC for basement-opening 31x15 (existing AC is 19.5 X 12)
 - Master Bathroom door replacement
 - Master bath toilet fill tube leaking
