## **An Important Message from The Mission in Far Rockaway:**

Recently, an unfortunate incident has significantly impacted our ability to provide essential services to our community. The glass top on our electric stove was damaged, rendering it inoperable. This stove is critical to preparing and serving meals to those who come to us in need.

Our services are in demand now more than ever largely due to the growing migrant community in our area. Far Rockaway Mission stands as one of the few soup kitchens in the neighborhood, and the services we provide are essential for countless individuals and families struggling with food insecurity.

Regrettably, the grants and funding we receive are primarily allocated for food purchases and do not cover equipment or non-food items. Given our limited resources, we find ourselves in a challenging situation as we strive to maintain our commitment to the community.

Therefore, we kindly request your support and assistance. Your generous contributions will be instrumental in ensuring the uninterrupted operation of our mission. You can make an online donation here:

<https://secure.givelively.org/donate/united-methodist-city-society/far-rockaway-mission>

Thank you for your continued dedication to our mission, and we look forward to your positive response. Please feel free to reach out if you have any questions or need further clarification.
