Global Ministries seeks U.S.-based United Methodists to lead grassroots environmental projects that are action-oriented, antiracist, bold and entrepreneurial.

Global Ministries EarthKeepers is a training and incubator program that provides a collaborative space for United Methodists to develop and grow environmental projects in their communities. Topics include eco-theology, antiracism, community organizing and project planning. All participants plan a project during the training.

The next EarthKeepers training events will be held Oct. 3-6, 2024.
